TUG OF WAR

PEACE THROUGH
UNDERSTANDING CONFLICT

by Terrence Webster-Doyle

Atrium Society Publications
Middlebury, Vermont, USA

This book is dedicated to you young people who feel the urgency to bring about peace on earth. This book is also dedicated to parents, teachers, counselors and administrators who want to help young people understand what prevents peace—in other words, how to resolve conflict intelligently and nonviolently.

Also, I would like to thank Julietta, my thirteen-year-old stepdaughter, who felt it was important I write this book for young people.
